## LETTER OF APPRECIATION

**To Whom It May Concern,**

This is to certify that **Mr. Hetkumar Sanjaykumar Patel (Het Patel)** worked with Shree Chamunda Enterprise as a **Full Stack Developer** and built our company website, **www.sceboilerspares.com**, from start to finish. We are happy to share our experience of working with him.

|---|---|
| **Name** | Mr. Hetkumar Sanjaykumar Patel |
| **Role** | Full Stack Developer |
| **Project** | Company Website - www.sceboilerspares.com |
| **Period** | June 2026 to September 2026 |

**Work done by him:**

- Planned and designed the full website to match our business and our products.
- Built a multi-page website with Home, Products, Industries, About, Quality and Contact pages.
- Made a complete product catalog for our boiler spares, burner spares, industrial valves, steam accessories and instruments, with a detail page for each product.
- Added a working enquiry form and a WhatsApp button on every product, so customers can contact us in one click.
- Added our client logos, quality standards and FAQs on the website to build trust with new buyers.
- Did the SEO setup so that buyers in Ahmedabad, Gandhinagar and Gujarat can find us on Google.
- Connected our own domain and set up our business email (info@sceboilerspares.com).
- Made the website fast and mobile-friendly, and made it live on the internet.

He used modern technologies like **Next.js, React, TypeScript and Tailwind CSS**, and hosted the website on Vercel.

Het understood our business very well, even though our products are technical. He explained everything in simple words, listened to our ideas and made changes quickly whenever we asked. The work was completed on time, and our website now looks professional and helps us present our company better to customers.

We are very happy with his work, knowledge and behaviour. He is hardworking, reliable and skilled in both frontend and backend development. We happily recommend him for any **Web Developer or Software Developer** role and wish him all the best for his future.
